

St. Raphael's Earth Community Presents...

In Celebration of

EARTH DAY

Wisdom to Survive

Will we have the wisdom to survive? This award-winning film features thought leaders and activists in science, economics and spirituality discussing how we can evolve and take action in the face of climate disruption. We are urged to open ourselves to the beauty surrounding us and act to ensure the life of the planet.

"We must respect the interior laws of creation, of this earth, learn these laws and obey them if we want to survive.....Being itself, our Earth, speaks to us and we must listen.

~Pope Benedict XVI, 2009
