

The Montgomery County Human Rights Commission
and the Montgomery County Office of Human Rights
are co-hosting a

Community Forum on Transgender Issues

EXPLORING OUR DIVERSITY

We're getting together to explore the many facets of our diverse County with a conversation about our transgender community. Experts, advocates and other members of the local transgender and allied community will offer information, perspectives and experiences on being transgender in Montgomery County.

Come out and be a part of this important discussion and get to know your neighbors and all of us who live here. June is Lesbian, Gay, Bisexual, Transgender (LGBT) PRIDE Month in the County and across the nation and we salute the LGBT community during this special time of pride and recognition.
